

EnviroZap

electric flykiller

INSECT-O-CUTOR®

The EnviroZap ◀

The EnviroZap from **Insect-O-Cutor®** attracts, kills and collects all flying insect pests, including wasps, without using toxic chemicals.

Lamps

The especiall designed UVA insect attractant lamps safely attract all flying pests.

Electric Grid

Insect-O-Cutor® electric fly killers are fitted with a custom-built transformer providing a constant 4,00 volts. This prevents insects from sticking to the grid or exploding into the air and ensures efficient elimination of all flying insect pests.

Simple Maintenance

The clever design of the EnviroZap makes it quick and simple to clean and maintain without the use of tools - faster servicing and no loose fittings to misplace.
